Grading register application form

Welcoming Back the "Lost Generations"

The Beef Shorthorn Society has reopened the Grading Register for a limited period. This initiative aims to preserve valuable Beef Shorthorn bloodlines and support members with cattle of genuine heritage.

NB: Please note only Female animals are eligible and a form must be completed for each.

Please complete this form using block capitals and email to ellie@beefshorthorn.org or send by post to Ellie Doak. The Beef Shorthorn Cattle Society, Society Pavilion, Avenue M, Stoneleigh Park, Kenilworth, Warwickshire. CV8 2RG

Applicant Details

Full name:	
Herd prefix and /or Account number:	
Full postal address:	
Postcode:

Identification Declaration

☐ I/We hereby confirm the animal is permanently and correctly identified in accordance with national livestock regulations.

Supporting Documentation

I can confirm that I have enclosed the below items to support this process.

☐ Copy of passport

☐ Photographs showing front back and both side profiles and/or video of no longer than 1 minute
NB: All files should be supplied as .jpeg or mpegs and all individually saved with the ear-tag no. as the file name

☐ DNA sample (Hair or tissue tag)
NB: All hair samples must be clean and dry and include 40-60 hair follicles with the labelling on the bag completed with the animal details.

Please note any DNA testing is chargeable at the Society's standard rates and that samples can take 4 -6 weeks to be reported from time of receipt.

Applicant Declaration:

I hereby apply for the above animal to be entered into the Beef Shorthorn Cattle Society Grading Register as a Foundation animal. I agree to abide by the Rules and Regulations of the Society as laid down in its Memorandum and Articles of Association.

I understand that each animal is assessed individually and that the Board of Directors maintains the right to refuse entry to the register if they feel an animal is not suitable for the programme / is not of type.

I confirm that the information provided in this application is accurate to the best of my knowledge.
